Thanks for taking the night ops for us, Alex.

Just call me when you get over here tomorrow evening (9/8)..... try to park down at the very south end of the complex (near intersection of Koenig and Lamar).... Plenty of parking available on the property.....we will go get you a badge and show you around.

Subject: requesting Alex Nunez to staff SOC during night shift

All – the governor asked that we staff the SOC 24/7. We are needing to get someone down to the SOC asap. It was suggested that we move one of the water staff currently manning the phone bank. Alex Nunez was suggested.

He will need to serve in this position for approximately 7 days, until we can get another person to replace him .

Thanks - Monica
